

MUSIC IN THE PARK ANNOUNCES 2010 SEASON SCHEDULE

Harbor Arts and Columbia College of Chicago invite you to Three Oaks in Michigan's Harbor Country. Hear tomorrow's headliners today Saturdays from Flag Day to Labor Day in historic Dewey Canon Park honoring a tradition dating from President McKinley's dedication of the park cannon.

Three Oaks, just 76 miles from Chicago via I-94 and US12 offers outstanding music, art, cabaret and independent cinema in an 1880's village where today's frantic pace seems to wash away into pleasure. Columbia College, established in Chicago in the late 1800's, serves over 12,500 students focusing on cutting edge training for tomorrow's musicians, artists, actors and directors.

Come out and hear tomorrow's headliners today thanks to Allen Turner, Columbia's Chairman of the Board of Directors generous help. Not to be outdone, the brightest local stars join Columbia in bringing an exciting summer of musical extravaganza in beautiful Dewey Canon Park – an experience only Norman Rockwell could capture and one you may enjoy free! Donations are always gratefully received and tax deductible. Harbor Arts is a 501c3 not for profit organization, staffed by volunteers, dedicated to the arts.
